## Summer Learning

- June 23<sup>rd</sup> kicked off our weekly Summer Learning series. Teen and Family events are both held at 4 p.m. on Tuesdays. While hectic, it's great to see whole families enjoying the library!
  - **Kids & Families:** The 3rd Annual **Mad Hatter Tea Party** drew nearly 300 attendees.
  - **Teens:** Our **soap-making** and sewing classes were enjoyed by all. The teens love learning new skills.
  - **Adults:** Our first **Mariachi concert** saw 70+ people enjoy the festive music.
- City Cycling & Fix-It Clinic: Both were the largest sessions that we've hosted yet. We look forward to continuing to partner with the City on additional sustainability-focused events.

## Community Outreach

- Friends of the Library and staff participated in the 27th annual La Mesa Flag Day parade.
- We hosted students from the An-Nur Learning Academy for their first visit to the library.
- Our Teen Librarian sent the first 2 of 3 shipments of the **Summer Learning Subscription Box** to local Helix students.
